

Almost 20 Ways to Use Yard Signs Across America

For your pro-life group, church group, or you as an army of one!

The cost of your yard sign outreach can be as little as \$40.

1. Deploy one or more staked signs in your front yard
2. Ask your pastor to approve placing multiple yard signs on your church and school campuses.
3. Schedule one Sunday at your church to give away or sell signs for public witness in front yards.
4. Hold and/or place yard signs in the ground at outreach events such as sidewalk counseling, Life Chain, a prayer vigil, pedestrian overpass outreach, or a protest event.
5. For a national or state march or rally for life, use a Variety Pack to equip your pro-life or church group.
6. Launch a hometown march or rally for life relying on a variety of our signs.
7. Turn any rally or outreach event from one-day to 365 days of witness. Use durable plastic signs rather than throwaway cardboard. Then, gift signs for display on front yards or church grounds.
8. Frame a yard sign and display it proudly at your home or church.
9. Display staked signs at the entrance to a pro-life or church gatherings.
10. Give yard sign to those attending a pro-life or church gatherings
11. Sell yard signs at pro-life or church gatherings to cover your cost or as a fundraiser. A church group may sell signs and donate the proceeds to the church or some cause within the church.
12. Include yard signs as door prizes at church and pro-life gatherings.
13. Display prominently—inside or outside—at a major event such as a fundraising banquet or a conference.
14. In addition to giving signs away you can charge \$5 to recover your cost or \$10 as a simple fundraiser.
15. Keep signs in your car to give to pro-lifers you meet at the grocery store & . . .
16. Your pro-life group or church group can organize a campaign to create a dazzling pro-life public witness and starter for many conversations.
17. A group within your church—such as your Sunday School class or Knights of Columbus—can deliver a yard sign distribution campaign to church members and your hometown broadly.
18. Yard signs displayed in your community will witness for life from sunrise to sunset, seven days out of every week. You will engage thousands of your hometown neighbors plus potentially thousand visiting or passing through your hometown.

PREFACE Each sign can be used in multiple ways, including daily and proudly in a front yard. These are not throwaway cardstock signs. Our messages are printed both sides on corrugated plastic, lasting for years. Use as a handheld sign or secure it above ground with a metal stake.
