What is Public Square Outreach?

PLW is focused on "public square outreach". This is outreach with the goal of **BROADLY** engaging a local community to change hearts, minds, souls, and votes.

A public square outreach event engages neighbors across the spectrum— not just the pro-life faithful or the pro-abortion hostile. When a pro-life group delivers pedestrian overpass outreach over an Interstate HWY, **this is public square outreach!** A pregnancy center banquet focuses on the pro-life faithful. **This is not public square outreach.**
