November 29, 2026, to January 27, 2027

Coordinated by John Pisciotta, Pro-Life Yard Signs Across America

This is an actual  
campaign plan .  
Do it your way!

Other pricing options  
are \$10 per sign  
or free signs.

Church members will have the opportunity to purchase Christmas yard signs to display in front yards from Advent through mid-January. The charge for an attractive yard sign is \$5. Each sign is printed on both sides. Yard signs shown below will be available on November 29, the First Sunday of Advent.

### Implementation Plan

A campaign can be organized by a church ministry, a small group of members, or even one person!

If your church has a pro-life ministry, the ministry could retain proceeds from sales.

Year-round sign displays are ideal. However, some members may prefer a shorter display period.

You can build a church yard sign campaign around Easter, Lent, Pentecost, Mother's Day, or any convenient time of the year.

On Sunday, November 22, John Pisciotta will announce the campaign to our congregation.

The church bulletin will promote the campaign.

Following worship on **November 29**, the First Sunday of Advent, **you may purchase at yard sign for \$5**. The proceeds from sales will go to the **St. John Youth Group Travel Fund**. The signs available are shown below.

To obtain a sign after November 29, contact John Pisciotta at 254-644-0407 or [prolifewaco@gmail.com](mailto:prolifewaco@gmail.com). You may arrange a pick up on Sundays of Advent.

Members may keep and display their signs throughout the year. Or members may return sign to Sundays January 17 or 24. John Pisciotta will pick up the signs for further use.

*St. John members' yard signs will send respect life messages to thousands during the Christmas season. We pray that lives will be saved and hearts will be changed.*
