

Ten Blessings from a “Yard Signs for Life” Campaign

John Pisciotta

Founding Executive Director of Pro-Life in the Public Square

- 1.** Mobilize and attract group and church members for pro-life ministry.
- 2.** An opportunity for prayer to the Holy Spirit for guidance, energy, and multiplication of the “loaves and fishes” we bring for blessing.
- 3.** Build comradery among group members with your community broadly.
- 4.** Signs on the church grounds remind people of all ages that your church is deeply committed to defending life and love.
- 5.** Yes, guilty! Let your children and grandchildren catch you and your home in the act of Christian discipleship.
- 6.** Planting and nurturing seeds to influence the pro-life faithful, abortion supporters, and our neighbors in the unaware middle. Each yard sign works 24 hours a day!
- 7.** A community yard sign campaign will develop in surprising and unknowable ways. Will babies and moms be saved from abortion? Let us pray.
- 8.** The “other side” is active in the public arena to normalize abortion and focus on self. We can counter 24/7 will messages for life and love!
- 9.** A building block for strengthening pro-life outreach for years to come.
- 10.** We respond to the call of Matthew 5:15. “No one lights a lamp and puts it under a basket, but rather on a lampstand, where it gives light for all.”
