

Ten Blessings from Yard Outreach in Your Hometown

- 1. Plant and nurture seeds** to influence the pro-life faithful, abortion supporters, and our neighbors in the undecided middle. Each yard sign works 24 hours a day!
- 2.** A community yard sign campaign will develop in surprising and unknown ways. **Will your signs turn pregnant moms to love and life?** Let us pray with confidence.
- 3.** Yard signs on church grounds visibly remind people of all ages that **your church is deeply committed** to defending life in the womb.
- 4.** The “other side” and **the mainstream media are actively working to normalize abortion** and marginalize pro-life witness. We can counter them 24/7 with messages throughout our communities!
- 5. Yes—GUILTY!** Let your children, grandchildren, and friends catch you and your home in the act of Christian discipleship.
- 6. Build camaraderie among life defenders** in different ministries within your community. Hello pro-lifers, let’s work together.
- 7. Attract and mobilize** pro-life “fans” into pro-life activists.
- 8. Building for pro-life outreach in years to come.** A substantial yard sign campaign becomes an experience you can leverage for future initiatives.
- 9. Answer the call of Matthew 5:15.** “No one lights a lamp and puts it under a basket, but rather on a lampstand, where it gives light for all.”
- 10. An opportunity for prayer,** asking God to multiply the “loaves and fishes” that we offer in faith.
